

2018 Capital Street Maintenance & Detour Routes

Last updated April 27, 2017

Below is a list of the capital street maintenance projects that will take place in the City of Mason beginning in the spring of 2018. A map of the project areas can be found on the reverse side of this brochure. Additional information about each project can be found in our Capital Improvement Program (CIP). A copy of our CIP is available on our website at www.mason.mi.us.

	Location	Description	Begin – End Dates*	Alternative Route
