Application Materials

The following information must be submitted with this completed application form:

Variations: Variance requests must be accompanied by a basic site plan drawn to a readable scale showing the location of property lines, existing and proposed structures and parking areas, setback dimensions from property lines and other buildings, easements, existing roads, utility connections, floodplain and topography (where it has a bearing on the request), and any other information necessary to adequately show the nature of the request.

Applications must satisfy the following criteria pursuant to Section 94-365(c) in order to be granted a variance:

- The variance must be granted in order to avoid practical difficulties not created by the applicant that would result from strict application of the letter of this chapter.
- A variance will not permit the establishment within a zoning district of any use not permitted within the district.
- A variance will not cause a substantial adverse effect to property or improvements in the zoning district and the immediately surrounding neighborhood.
- A variance will not be contrary to the public interest and will insure that the spirit and intent of this chapter will be observed, public safety secured, and substantial justice done.
- There is no lesser variance than that applied for which would give substantial relief to the applicant.

All requests must be accompanied by a fee, as established by City Council. The fee for requests to the Zoning Board of Appeals is \$250.00.

All requests must be accompanied by any additional information deemed necessary by the Planning Department Staff.

Feel free to include written descriptions, elevation or other drawings, maps, photographs, and/or any other documentation that might aid the Board of Appeals in making a determination. Applicants are encouraged to review Article XI of Chapter 94, Zoning, of the Mason Code, which describes the procedures and standards that the Board of Appeals will use to evaluate a request.

Deferment by applicant: The ZBA shall defer all proceedings upon the request of the applicant when less than six members of the ZBA are present for consideration of and voting on an appeal or variance. The right of deferment shall be considered waived by the applicant if deferment is not requested immediately upon the opening of the hearing on the matter.

Note: The applicant must submit 13 copies of any documents that are larger than 11" by 17".

Application Deadlines

Regular meetings of the Zoning Board of Appeals are held on the second Wednesday of every month, at 5:30 p.m. To be placed on the meeting agenda, all Application Materials must be received at least 4 weeks in advance of the meeting. **The Board of Appeals will not take action on the request unless the applicant or his/her duly authorized representative is present at the public hearing.**

Staff Report

The Planning Department Staff will prepare a report to the Zoning Board of Appeals regarding your request. The report will explain the request to the Board and review whether it complies with the standards in the Zoning Ordinance. Staff will present the findings of that report during the Zoning Board of Appeals meeting. An applicant who wishes to obtain one (1) copy of that report, at no cost, prior to the meeting must provide a written request

to the Planning Department. The report is generally complete on the Friday before the meeting and can be mailed to the applicant or picked up by the applicant in the Planning Department.
