

# Water Plant Operator

## Job Posting

The City of Mason has a great opportunity for two (2) Full-Time Water Treatment Plant Operator positions. The Water Plant Operator position operates and maintains a variety of water operations and testing of equipment as well as taking samples, conducting routine tests to record and control treatment operations. Position serves in an on-call basis to handle emergency situations.

The ideal candidate will have:

- a High School Education or G.E.D. equivalent and some college is desirable,
- a valid Michigan driver's license,
- State of Michigan EGLE D-4 (or higher), F-4 (or higher) and/or Municipal Wastewater Class D (or higher) is preferred, if not must have the ability to obtain these required EGLE water licenses,
- Knowledge of safety procedures and precautions of water plant operation,
- Knowledge of the procedures and practices of laboratory safety,
- Skill in operating and maintaining a variety of plant equipment,
- Skill in maintaining test records and compiling related reports,
- Ability to establish and maintain effective working relationships with fellow employees, and,
- Ability to interact with public/customers in a courteous and professional manner.

The City of Mason offers a starting wage of \$23.21 per hour and a benefit package including a defined benefit pension program, excellent medical, prescription, dental, vision and life insurance plans, medical and dependent care flexible spending accounts, educational support via tuition reimbursement, professional training and development, and vacation, sick, personal, and volunteer paid time off.

Please note that the City of Mason's policy is that all employees must live within 20 linear miles of the boundaries of City of Mason within 12 months of the date of hire.
