

Crossing Guard: Substitute Seasonal-Part-time Job Posting

The City of Mason has an opportunity for a Substitute Seasonal Part-Time position as a Crossing Guard. This important position is responsible for providing the safety of school children crossing at designated intersections or pedestrian crossings in the City of Mason for public school students. The ideal candidate will have a high school diploma or equivalent, be able to pass an extensive criminal history background check, have the ability to comprehend and apply crossing guard training required by the department, skill in the techniques of hand signals and traffic control, the ability to communicate with children and be able to withstand a wide variety of outside working conditions.

The position starts at an hourly rate of \$11.00 per hour and works approximately two-1 hour shifts a day (Monday – Friday).

To Apply, submit a completed application and a letter of interest. Visit our website at www.mason.mi.us to obtain additional information and the required application materials.
