

YARD WASTE COLLECTION

Granger Services

The City of Mason has contracted with Granger for refuse and yard waste collection of residential properties. This information is specific to City of Mason residents only. This contract allows for the billing of such services to be billed with the property owners' tax bills, but as a separate line item. Residents that are renting or leasing property with five units or larger are not included and must contact the owner or leasing agent for specific information and procedures for refuse and yard waste removal.

Since Michigan Public Act 264 prohibits the land filling of all yard waste, Granger collects yard waste separately from refuse. Granger hauls all yard waste to a local compost center; therefore, several guidelines must be followed. Granger and the City of Mason appreciate your cooperation!

Guidelines:

- The Yard Waste Collection program runs from mid-April to the end of November.
- Yard waste is picked up once a week, on Fridays.
 - Yard waste must be placed separate and away from the trash, on the opposite side of the driveway, if possible, so workers can easily distinguish between the two.
 - Items may be placed along the curb no earlier than 9 p.m. Thursday evening and removed no later than 9 p.m. on Fridays.
- Granger will accept a **total of five (5)**: *Size information described below.
 - bins, or
 - brown bags, or
 - bundles of brush, or
 - any combination of the above.

*Size Information

Small yard waste items should be loose inside a 30-gallon or smaller personal container or brown paper lawn bag and weigh thirty pounds or less.

- Please try to keep yard waste dry.
- Weeds or grass clippings must be free of dirt.
- Yard waste in plastic bags, will not be picked up.

Shrubs and branch trimmings must be no longer than four (4) feet and securely tied in bundles, using natural fiber string, twine or similar, weighing less than thirty pounds. Plastic twine, ties or similar may not be used.

If your yard waste has been accidentally missed, please call Granger at 888.947.2643 or info@grangernet.com.
