A. Discussion regarding 410 E. Maple Street, Mason, MI 48854 Report

Steven M. Elliott, President of Material Testing Consultants went over his findings from his review and site visit on September 29, 2020 in regards to 410 E. Maple Street.

Various City Council members asked questions in regards to Mr. Elliott's report and raised concerns as to the possibility that it was not a complete assessment and report.

It was determined before moving forward on any decision regarding 410 E. Maple Street that all Council Members should provide any documentation, they may have regarding 410 E. Maple Street as well as the homeowner Jean Karlake so that it can be forwarded on to Mr. Elliott at Material Testing Consultants to see if it would have any impact on his conclusion in regards to 410 E. Maple Street.
